### Our Veteran's Program hatched!

In February, the UCF Business Incubation Program began the education phase of the veterans program that will aim to provide entrepreneurship counseling & training to veterans who want to launch and grow their own business. Phase 1 of the program was recently completed & 27 "Graduation certificates" were presented. Phase 2 of the program will start soon.

A big Congratulations to these Veterans!

◆ ◆ ◆ ◆ ◆ ◆ ◆ ◆ ◆ ◆

In April, our Kissimmee Incubator client, Underground Refuse Systems distributed the FIRST ever underground waste container in the United States! The official launch was April 19th at Kissimmee City Hall. Great job!

# INCUBATOR CLIENT SPOTLIGHT

## APOPKA

### Secret Machine

Secret Machine designs engaging, immersive and memorable product demonstrations, using either Virtual Reality or Augmented Reality technologies. VR product storytelling engagements work splendidly across industries and products. AR product demonstrations create a virtual catalog, making sales calls practical, comprehensive and uniquely memorable.

**We create a simulated world where product demonstrations are unforgettable.**

## CENTRAL FLORIDA RESEARCH PARK

### The Right Profile

The Right Profile is the leader in predictive talent selection integrating the latest technologies with predictive methodologies in behavioral science that transforms the way organizations select and develop talent.

**Build a Champion Team Through Performance Trait Profiles.**

[www.therightprofile.com](http://www.therightprofile.com)

## DAYTONA BEACH

### GRD Innovations

### Cairns Foundation Innovation Challenge Winner

Patent pending technology, called VRA Knee Brace or Varying Radius Assist knee brace, provides the user with a full-range knee orthotic that reduces rotational stress on the knee while simultaneously providing lateral support and not compromising mobility.

## KISSIMMEE

### Underground Refuse Systems

An innovative underground trash containment system. Animals, unwanted users of dumpsters, elimination of enclosures for dumpsters, lifting system at the service of your city, better use of space.

**The future of United States waste management will never look the same.**

[www.undergroundrefuse.com](http://www.undergroundrefuse.com)

## ORLANDO

### InNovo Partners

A women-owned boutique engineering firm specialized in delivering innovative technology and data management solutions to the transportation operations and planning industry.

**We strive to identify and solve problems with the goal of a safe and efficient transportation system for the traveling public.**

[www.innovopartners.com](http://www.innovopartners.com)

## WINTER SPRING

### Tackle Webs

TackleWebs offers fishing gear and marine products that are sold at major outdoor sport stores and online at [Tacklewebs.com](http://Tacklewebs.com)~They now has five retailers in Florida and Georgia who chose to enhance their businesses with the OEM. TackleWebs offers a unique line of products with more diversification on the way.
